

Historic Smart Valley project

CAP10-DEVELOPMENT OF AN HISTORIC VILLAGE OF THE AMENDOLEA VALLEY WITH REGARD TO THE SMART TECHNOLOGIES: FROM “SMART CITY” TO “HISTORIC SMART VILLAGE”.

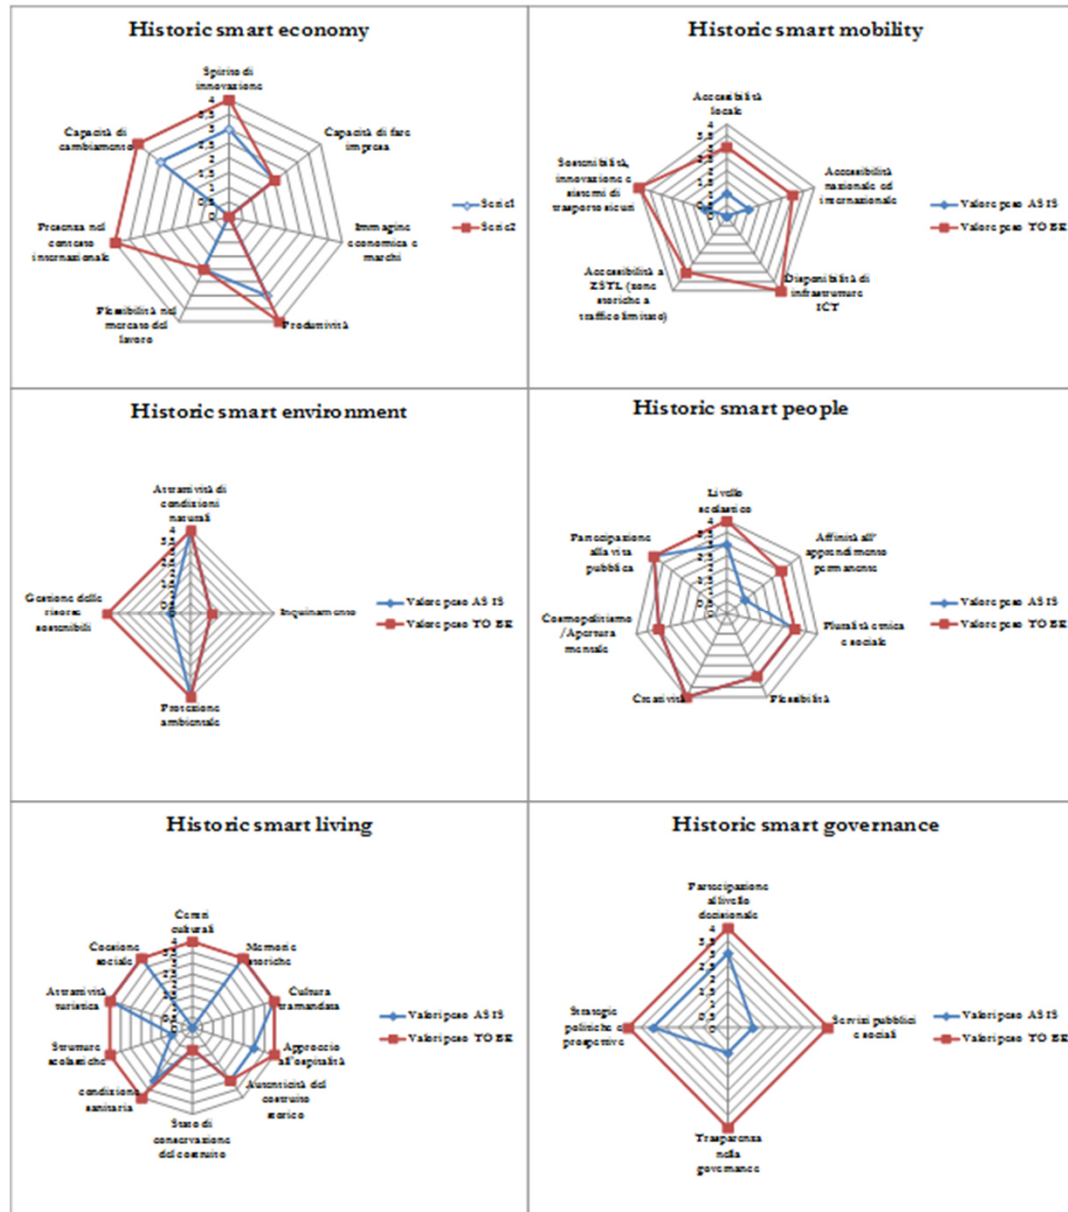

Chapter purpose

Re-engineering an historic village through the information systems and the smart technologies in terms of social sustainability.

Main activities:

- Technological evolution analysis: from the city to the smart city;
- (KPI) Smart analytic assessment model for a 'smart city' and after for an 'historic smart village';
- Planning model for a 'smart city' and after for an 'historic smart village';
- Real case analysis and Re-engineering.

Improvement in a real case

The screenshot shows the SAP Community Network (SCN) user profile for Massimo Talia. The top navigation bar includes the SAP logo, the text 'Community Network', a user greeting 'Hi, Massimo' with a dropdown arrow, a 'Log Out' link, and a '11 points' indicator. On the right, there are links for 'Getting Started', 'Newsletters', and 'Store', along with a search bar labeled 'Search the Community'. Below the navigation bar is a grid of category links: Products, Services & Support, About SCN, Downloads, Industries, Training & Education, Partnership, Developer Center, Lines of Business, University Alliances, Events & Webinars, and Innovation. To the right of these links are icons for Activity, Communications, and Actions, and a 'Browse' dropdown menu. The user profile section features a profile picture placeholder and the name 'Massimo Talia', with 'Following: 0' and 'Followers: 0' displayed. A horizontal menu below the name includes tabs for Bio, Activity, Content, Connections, Places, Bookmarks, and Reputation. The Reputation tab is active, showing a '11 Lifetime Points' and 'Aluminum Levels' with a hand icon. A message below states 'There is no recent activity for this user'. On the left side of the profile, there are links for 'History', 'Missions', 'Expertise', and 'Ranking'.
